

The Chophouse at LaPrade's on Lake Burton is moving to their new location, J.R. Chophouse in Franklin, NC. We have had a very successful run-on Lake Burton for the past 12 years. It was our pleasure serving the Lake Burton community over this long period. From the deck parties, family reunions, celebrations of life, rehearsal dinners, weddings, bachelor/bachelorette parties and plain old friends. We appreciate all of your love and support over the years. We've made many great friendships over this time and will miss all of the fun we had along the way. We wish all the best to the LaPrade's Marina as they continue to operate.

Our new location, opening in late April, will provide a year-round business model in the expanding market in downtown Franklin. We will provide the same excellent fine food and service as we always have with full bar, private dining accommodations and catering services. Please come for a visit.

Our Sincere Gratitude for making us a success for the past 12 years!

Thank you!

Chef James Reaux
