Frequently Asked Questions

How far in advance can I book?

The earlier the better so you are more likely to get the dates, space and time you desire. One year prior to your desired date is usually sufficient.

We are also looking to host a rehearsal dinner and post-wedding brunch. Can you handle these and if so, where?

Please consult with your catering manager on space and time availability.

Can the space be used for both the ceremony and the reception?

We strongly advise you to have a separate location for each event. The Chophouse has several ceremony locations as well as a variety of reception locations that help to provide a smooth and convenient transition from the ceremony to reception.

If I choose to have an outdoor ceremony, what happens if it rains the day of the wedding?

In the few instances when weather has caused an issue with an outdoor ceremony, we have been able to move the ceremony into our beautiful Restaurant, the Lakeside Pavilion, or on to our covered Patio.

Are there certain days of the week, or times of day, when the price is discounted?

Friday and Sunday weddings are given a 50% room rental discount

What is the deposit, and when is it due to secure the date? Can you hold a date without a deposit?

Once you have decided on your date, your Catering Manager can hold the space up to 72 hours without a deposit. After the 72 hours, a signed agreement will be needed as well as a 50% deposit in order to confirm your definite date.

What types of payments do you take?

The Chophouse accepts most major credit cards and certifies checks. A credit card form must be kept on file regardless of which type of payment is used.

What is the schedule of payments?

The initial deposit of 50% of Estimated Food and Beverage total and Room Rental is due when you sign your agreement, the next payment of 25% is due three months prior to the event. The final payment is due along with the final guaranteed number of guest, one week prior to your event date.

What is the cancellation policy?

Should the event be cancelled, you will be required to pay The Chophouse, as liquidated damages, within thirty days after written notification or cancellation, as follows:

Cancellation Breakdown

Prior To Event Date	Payment
0-30 Days	100% of food and beverage minimum and rental fees
31-60 Days	75%
61-120 Days	50%
121 Days to date signed	25%

Can I use my own caterer or do we have to use The Chophouse catering services?

Due to specific liability policies, all food and beverage must be provided by The Chophouse with the exception of the wedding cake.

Do I have to use your vendors or can I bring in my own?

We do have a recommended vendor list. Of course, you are also welcome to utilize your own vendors.

Is the Catering Manager the same as a Wedding Planner?

No. the Catering manager will help you plan the aspects of your event that pertain to services or products provided by The Chophouse, such as food and beverage, room set-up and directing the rehearsal and Ceremony. The coordination of the flowers, JD's, bands, cake providers, ministers, etc. should be handled by a designated member of the family or wedding party, or by the Wedding Planner. All special announcements such as introducing the bride and groom, announcing special dances and special events such as cake cutting or toasts should be orchestrated by your band, DJ or designated representative.
